

STATUS
on
Implementation of Administrative Reforms
Measures in the Government of Assam
(As on 31st July, 2015)

REPORT OF THE ADVISOR
PART- I

A Report based on first hand information about Actual State of Affairs in Departments, Heads of Departments and in Districts

“There is no denying the fact that Administrative Reforms in modern times have become synonymous with ICT applications and proper leveraging of such technologies and tools in the process of implementation and execution of services could do wonders in the lives of citizens looking for the much needed change in their fortunes”.
