I am extremely delighted to know that the Directorate of Economics and Statistics, Assam is ready with the 2017 edition of annual publication of Statistical Hand Book, Assam. In the Government of Assam the Directorate is being instrumental in data management and worked as a nodal agency for various Departments in the Government of Assam for collection, collation and publication since 1948.

The Statistical Hand Book Assam, 2017 contains updated information on various sectors namely Agriculture, Industry, Mines and Minerals, Services etc. for the State of Assam at state, district and circle level.

I appreciate the efforts put by Sri K.K. Nath, Secretary to the Government of Assam and DES, Assam and his team for bringing out this publication nicely with new touch.

I wish the publication all success.

Dtd. 11-01-2018
